

Hebrew School PARTNERSHIP FORM

Chabad Naples has an open-door policy, thus making Judaism accessible to everyone.

However, the only way our center is able to continue offering its many quality programs, is with the voluntary help of those whose lives it touches.

We encourage you to become a partner in our vital work here in Naples. Please consider joining the "*Chabad Circle of Partners*" by contributing to our center monthly or a one-time donation. For partnership donation opportunities, please see below.

For more information about the work we do, our philosophy, or any other questions you might have about Chabad, please contact us and we will be happy to set up a private meeting with the Rabbi.
