CHABAD JEWISH COMMUNITY CENTER OF NAPLES

Fund-a-Need Project

Welcome Message and Fund-a-need Committee

Dear Friends:

We welcome you to the Chabad Jewish Community Center of Naples with joy and gratitude to the many supporters in our local and extended community who have made the opening of this Center a reality.

We also encourage you to consider meaningful ways in which you can further enhance this Center. The naming of our campus and the naming of our building are the two most prominent opportunities. If you have the ability to consider this level of giving, your name or the name of a loved one will be forever associated with all of the Center's good works. Regardless of whether you donate a chair, a picnic table, or something larger, you are making an everlasting investment for yourself and for generations to come.

Presented on the following pages are vital projects that will be completed with your help. You may consider funding any of these projects in total or requesting that your contribution be directed towards a restricted fund which will accumulate contributions until the project can be fully funded. All of the dedications will have a place of permanent acknowledgement and tribute at the new campus.

As always, your generosity is deeply appreciated. Thank you so very much.
